

Roundtable on the Responsible Recycling of Metals (RRRM) Steering Group (SG) Meeting

Meeting agenda and objectives:

April 12th, 2023

1. Notes and Actions from last meeting
2. Outreach updates
3. Proposal options 1 & 2 decision
4. How your feedback is informing the process
5. Introduction to the benchmarking model, criteria and proposed approach
6. Brand and promotion
7. Next steps

Main decisions and actions summary

- Benchmarking plan reviewed and proposals made for broader mapping exercise to include some legislation and more depth for recycling standards. Importance of range of legislation, e.g. EU Critical Raw Materials Act to be considered in mapping exercise
- SG to continue outreach with stakeholders including recycling industry and Aluminium sector
- Revised timeline to end of year with July review agreed by SG
- SG agreed for Secretariat to confirm branding and website.

Action point summary

Action agreed	Owner	Deadline
Contribute to the landscaping and mapping activities	SG members who have not contributed yet	Asap
Each SG member to provide its logo in a suitable format and a sentence in support of the Roundtable for its website and materials	SG members who have not shared it yet	Asap
Send the updated invitation for the rescheduled SG meeting (moved from June 14 th to July 12 th)	Secretariat	20/04/23
Evaluate different benchmarking options and share proposed benchmarking criteria, long list and short list with the SG	Secretariat	03/05/23
As the working group plans develop over next couple of months, the SG are asked to consider which issue areas/proposed working groups are of most relevance and interest to them and which they could lead on.	SG	ongoing

Attendees

1. Ladin Camci, CARES (Constructional Steel certification body) Chief Technology & Sustainability Officer
2. Nicole Hanson, London Metals Exchange (LME), Responsible Sourcing Manager
3. Louise Assem, International Copper Association (ICA), Global Material Stewardship Director
4. Marcus Gustafsson, Boliden, Health & Safety Development Manager & Acting Sustainability Manager
5. Patrick Davison, Mayer Environmental, Director (Wholly owned subsidiary of European Metals Recycling (EMR))
6. Salomé Stähli, World Resources Forum (WRF), Project Officer
7. Veronica Tuazon, International Copper Association (ICA), Sustainable Development Analyst
8. Rory Meredith, ResponsibleSteel, Policy Manager
9. Dr Marcel Christians, Director Innovation & Sustainability, Weiland
10. Michèle Brühlhart, The Copper Mark, Executive Director

11. Hillary Amster, The Copper Mark, Director of Assurance and Impact
12. Prof. Sonia Valdivia, World Resources Forum (WRF), Scientific Director
13. Trevor Keel, World Gold Council (WGC), Consultant
14. Dave Knight, One Planet Ltd, RRRM Facilitator
15. Umut Cantoru, New Horizons, RRRM Secretariat
16. Laura Crabtree, One Planet Ltd, RRRM Administration Assistant

- Aysha Lotter, South African Research Chair Community of Practice: Waste to Value
- Tyler Gillard, Responsible Business Alliance (RBA) - RMI, Special Advisor (on sabbatical from OECD)
- Andrew Stephens - Sustainable Shipping Initiative
- John Mulligan, Director, Climate Change Lead and Market Relations, World Gold Council

Anti-Trust Declaration

Dave confirmed attendees were OK with the meeting being recorded and asked members to read through the anti-trust statement. He requested that if any member identified any anti-competition concerns in the meeting, they are to raise them and ultimately that the meeting would be stopped if they remain unresolved.
